Welcome to the Cameo Café

Lunch Selections

Good afternoon! Here at the Cameo, we may appear small, however, our menu selections provide you with a large variety of choices. If you haven't noticed, we specialize in the finest quality of ingredients. Our house bread has no preservatives and we use extra virgin olive and canola oil. We've won awards for the best breakfast, best lunch. We pride ourselves in offering you the best quality with exceptional portions. We would like you to consider looking beyond traditional dishes and try some of our extraordinary unique offerings, with strange sounding words.

The Cameo, with two locations, has built a reputation as being a unique place to eat.

Bon Appetite!

SOUP

You must have heard the saying, "too many cooks spoil the soup." Well, not so, here at the Cameo, we all participate. You will probably ask, what is **Long Life Soup**? It's oriental cooked noodles mixed together with carrots, broccoli, cabbage, peppers and spices. Scallops, shrimps and mussels can be added for an additional 3.00. It's a meal in itself. Specify hot or mild. In a soup review, sponsored by the NW Examiner of Portland area restaurants, Cameo's Long Life Soup was unanimously chosen as the favorite amongst 14 judges. See if you agree.
